**Essay Questions**

---

**Instructions:**

Answer all questions in the given booklet.

No. of questions : Two (02)

No. of pages : One (01)

Time : One (01) hour

Total marks allocated : 100%

---

01. One of the food regulatory bodies in Sri Lanka needs to differentiate virgin coconut oil (VCO) and refined, bleached and deodorized (RBD) coconut oil in order to qualify existing VCO products in the market and to eliminate fraudulent labeling practices. The regulatory body planning to conduct discriminative sensory analysis to differentiate VCO and RBD coconut oil. Briefly explain, how you conduct this sensory analysis as a sensory analyst of this regulatory body.

(50 marks)

02. Write an account on sensory testing facilities.

(50 marks)
